

Good Afternoon Elections Committee,

I am writing to express my opposition for SB No. 184 regarding absentee ballot. It is my understanding that during 2020 several absentee ballots were mailed to voters and never received back. There were also reports in some towns in Connecticut that absentee ballots were lost in the mail. There was no research done to find out what happened to these absentee ballots. It raises several questions as to what could have happened. It sets the stage for potential issues with our elections in this state. Election integrity is crucial. I oppose Bill SB No. 184.

Thank you,
